Because choosing the best is always possible. The best for you, because you get all the latest features, the best for your old devices, because they get a longer useful life, and the best for the planet, because this optimises the efficiency of its resources and reduces environmental impact.

-  **We use technology responsibly.**
-  **We buy your device.**
-  **We collect from your home*.**
-  **We guarantee your buyback price**.**

*From Monday to Friday, from 8.00 a.m. to 6.00 p.m., within Spain.
**According to the final valuation by the app.

And now, **get an extra €200² on top** of the buyback valuation of your current phone with the purchase on Wivai of a Samsung Galaxy Z Flip4 or a Samsung Galaxy Z Fold4!

All you have to do is follow these **3 steps**

Make sure you have
the following to hand:

- A mirror or display
- The order number of your new device

**1. Find out the current value
of your device at <https://wivaiback.wivai.com>**

In Android it is necessary to view it in Chrome

Let's go!

- A **profile will be installed** (a temporary app called HYLE Device) to automatically identify the make, model and IMEI of your current device.
- **Your device will be automatically detected** and you will be shown a maximum estimated value.
- **Check** the specifications of your current phone **online** (touch display, pixels, etc.). This will take you less than one minute.
- Enter the order **number of your new device** and your identity card number (NIE) or tax number (CIF).

You now have the final buyback price!

2. Say goodbye to your current phone

Before collection, make a backup copy. It is also essential that you delete data, remove any SIM/SD card and delete all the lock codes of your device.

Done! Within 48-72 hours we will arrive to collect your device at the address you have indicated during the process.

3. Now enjoy!

Once we have received and checked your device, **you will receive the money in your CaixaBank** bank account within 15 days.
